New luxury styling to match its total performance gives top-selling Ford Galaxie 500 Series offers three distinctive new roof lines including the 4-door sedan (top photo). Five engines and four transmissions are offered including the Cruise-O-Matic Dual Range three-speed automatic transmis-sion now available with all engines up to 390 cubic inches

displacement.

The full Ford Galaxie line for 1964 includes 16 models with 2- and 4-door sedans, hardtops, convertibles and station wag-ons (bottom photo). The completely restyled cars will ap-near in Ford dealer showrooms September 27.

# Heat that extra room economically with a Novent Gas Heater

Economical. Operates with typical gas economy. Exclusive floor to ceiling heat circulation system provides even temperature throughout the heating area. Thermostatically controlled.

Completely safe. Suburban Novent burns no room air, requires no flue or chimney. Vents all products of combustion outdoors. Ideal for attics, closed-in porches, breezeways,

basements, garages and sleeping rooms. Installs easily. Put the Suburban Novent in a window or a wall. Fits between wall studs without framing. Takes less than one cubic foot of space.

At your heating contractor's or nearest Northern Illinois Gas Company showroom. Phone EL6-2081

# Now-buy a new electric dryer and save up to 60

In the next 60 days over 25,000 Chicagoland people will buy dryers-most will be flameless electric. Read why you should buy electric. Right now-and for a limited time only-Commonwealth Edison and Public Service Company, in coop-A cration with your dealer, offers you a chance to save as much as \$60 on any new flameless electric dryer. (A cash bonus of \$20' from Commonwealth Edison, plus up to \$40 that you normally save when you buy an electric dryer instead of gas.) For the average family, this equals about 3 years of free drying t And electricity is simplicity. Because there are few moving parts, electric dryers cost less to maintain. And with no pilot

light, your dryer costs nothing when not in use. Clothes dried

electrically also come out fresher and cleaner because there are no funies, flames or products of combustion to mix with them. What's more, nothing dries clothes faster than today's electric dryers. (Only 26 to 30 minutes for a full load.) See your dealer now for details. Satisfaction on any flameless electric dryer is guaranteed, of course.

Treasurer and ex-officio County Collector of the County of Lake, in the State of Illinois, and as such the keeper of the records of said office and that the foregoing is a list of delinquent lands and lots upon which taxes remain due and unpaid for the year or years 1910, 1911,                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |

ducted again this year be-tween farm children and city children by the public schools in the city, and county, The purpose of the exchange is to provide children with an opportunity to learn how Mr. and Mrs. Fred Thies of Woodcrest Subdivision beclity children from four came great grandparents Sep-elementary schools will spend a week with farm host fam-daughter, the former Micki llies from October 13 to the 10th and the rural children Feigel, gave birth to a son. The new heir to the family will return the visit the week has been named Richard of October 27th to November Franklin Noci.

Mr. Robert Vogel of the Lake County Museum, will be the guest speaker at the October 16th meeting of the Channel Lake PTA, Mr. Voget will speak on some of tion, caulking side walks, Clory today announced that the history of Lake County complete building maintenfor nominations to the Air seum. The public is invited Force, Naval and Merchant to this meeting which will be Marine academies for the held in the school gym at 8 p.m.,

. Any qualified young man Mr. and Mrs. Robert Koch from the 12th Congressional and son of Warren, Mich., District of Illinois (Lake, Mc- were the weekend guests of Henry, and Boone counties) Mr. and Mrs. Joseph Gutow-

who wishes to compete for a nomination should write to him, in care of the House of Representatives, Washington, D.C. 20515. These young men must be high school and the Board of Education of the Channel Lake graduates and between 17 School at the meeting of the and 22 years of age by July board last Tuesday. Mrs. Chase gave ill health as the reason for her resignation. Mrs. Glayds Zobus was ap-pointed to fill the vacancy on

the board. Mrs. Chase's termwill expire in April of 1964. In other business, the board awarded the fuel oil contract to the DX Sun-Ray Distributing Co. on their low bid. John Gaa & Son are local distributors for DX.

The board also authorized the purchase of two new lunch tables. The tables are needed because of increased participation in the hot lunch program.

This weekend, Homecoming, will be an exciting one in Antioch. The celebration will begin Friday night with Pep Rally, Bonfire, and Sockhop.

The parade is set, as usual, for Saturday morning. Judging of the entries will be at 9:30 and the parade will start about 10:30. Classes, school clubs, businesses, and e ommunity organizations have entered events in the parade.

The Homecoming game will begin at 12:30 p.m. This year, at last, the Fighting Sequoits will face the Ela-Vernon Bears. Antioch looks Corward to a victory over the Bears, who have yet to score this season. Ela's most recent loss was a 28-0 defeat by the Warren Blue Devils last weekend.

Saturday evening is the Homecoming Dance. The Tophatters will provide the music for this affair. Curfew passes will be issued after the dance.

The Homecoming Court is composed of six girls and their escorts. Candidates for Queen are Cheryl Reidel, Sandra Maeder, and Nancy Lindblad. The Junior at tendant is Toni Aerne, and Janet Sheehan is the Sophomore attendant. The Fresh man girl has not yet beer chosen.

Escorts for these girls are picked by the football squads. In sports action last week the Sophomore football team scored its first win of the year. It defeated Grant 14-12. The Varsity and Freshman teams both lost to the Bulldogs by the score of 20-6 and 13-7.

At the Lake County Cross Country meet, Antioch runners came in last. Tom Wojnowiak, a sophomore, was awarded a ribbon for finishing 11th from a field of over 100 runners in the Frosh-Soph competition.
